

## Preaching the Gospel to the Nations

# REVIVAL REPORT

Dear Friends and Partners,

Praise the Lord! We have just returned from holding the Holy Ghost Miracle Crusade in London, United Kingdom and the Nairobi Miracle Crusade and Spiritual Warfare Conference in Nairobi, Kenya.

Your prayers were manifested in a very powerful way in both crusades. God spoke prophetically to Pastor Ernest in London that, "He was bulldozing his Church down to the foundation."

The prophetic ministry is "to root out and pull down, to destroy and throw down, plant and then to build." (See Jer. 1:10). Well, the Lord will use the prophetic ministry to restructure a Church so that it can bear fruit and grow.

We are in a season of the manifestation of His power and glory to bring a change in the structure of the church. The Spirit of the Lord spoke to me in a Church in Queens that, "I am going to change the structure of the Church over the next two to three years in America. No longer will everything be controlled and directed from the pulpit, but I will raise up My Body to do the works of God." Thus saith the Lord.

God is telling us that the believer who is Spirit filled will be raised up in the next two to three years to preach the Gospel to the lost, heal the sick, and cast out devils in the Name of Jesus Christ. God is restoring the Church to an apostolic anointing that the first century Church moved in but, I believe because of the closeness of the coming of the Lord, the anointing level will be even greater! Praise the Lord!

Let me encourage you to move out of the boat to walk on the prophetic Word given to you for this year. You will only grow in the grace of God if you allow yourself to do something you have never done before. Why don't you join us on our next foreign missions trip? We will be going to Saarbruecken, Germany from June 8th through June 14th. The cost of airfare and accommodation will be \$1,280.00 (US dollars). If you wish to join the crusade team from England, Kenya, Tanzania and us from the USA in Germany, call us today at: 718-777-1755. If you cannot join us, please pray for us daily.

The Lord may lead you to support us on a monthly basis. If your monthly offering is \$25.00 or more, we will send you a powerful video tape of the Nairobi Miracle Crusade and Spiritual Warfare Conference.

May God bless you for your obedience. We love you and pray daily for you.

His bondservant,

# BOASTING IN THE LORD

"For we dare not class ourselves or compare ourselves with those who commend themselves. But, they, measuring themselves by themselves, and comparing themselves among themselves, are not wise.

We, however, will not boast beyond measure, but within the limits of the sphere which God appointed us - a sphere which especially includes you.

For we are not overextending ourselves (as though our authority did not extend to you), for it was to you that we come with the Gospel of Christ" (2 Cor. 10:12-1 NKJV).

God did not call us (five-fold ministers) to compare ourselves to any other minister. He does not want us to compete among ourselves for the largest Church or ministry in our area. If we are doing this then we are unwise. The opposite of a wise person in the Word of God is a fool. I know this word may cut some deception and pride off of some people, but the sword of the Spirit will produce healing if received with meekness and humility.

The Apostle Paul was boasting to a Church that he had founded. He had labored in prayer and diligent effort to help found it. He did not want them deceived by deceitful workers of iniquity. He loved them so much that He did not want to see his efforts wasted and to see their faith shipwrecked by false apostles.

The Lord has used me and my wife to minister to many of you because your Pastor allowed us into the pulpit of your Church. We consider it a sacred honor and privilege to be able to release the gift and office of "missionary and prophet" into your life and the Church's life as a whole. Many people have received miracles as a result of your faith rising because of the Word of the Lord that we have preached to you. We praise God for these miracles that you have received.

*Altar call in Nairobi*

We consider you are friends and partners in the international ministry God has entrusted us with. We could not go to England and the Nations of Africa to hold crusades without your help. Right now, I am still a little jetlagged, but I had to send you this brief report so that your faith will be stirred up to continue to seek the Lord on our behalf and help us as the Spirit of the Lord directs you.

The Apostle Paul continues, "Not boasting of things beyond measure, that is, in other men's labor, but having hope, that as your faith increased, we shall be greatly enlarged by you in our sphere, to preach the gospel in the regions beyond you, and not to boast in another man's sphere of accomplishment. But he who glories, let him glory in the Lord.

For not he who commends himself is approved, but whom the Lord commends" (II Cor. 10:15-18).

## MUCHIRI

Last year, I lead a young man by the name of Muchiri to Christ. I laid hands on him to be delivered of drugs and to be filled with the Holy Spirit. Today, he is saved and delivered from glue, marijuana and banke. He is a leader in the children's ministry.

His one request from you is a proper home so that he can grow in His calling in the Lord. I believe he is one of many future leaders of the Church of Kenya that God has called us to rescue from the slums of Kenya.

## MIRACLE REPORTS!

Let me boast in the Lord of other miracles God accomplished through us. A young man was deaf from birth in one ear. His ear was miraculously opened in an instant.

A young woman was involved in an accident that left her leg scarred, and with a large black growth. God had me to curse the growth like Jesus cursed the fig tree to die. The young lady approached me after the meeting to say, "Pastor, I want to show you something." She lifted her dress up to her knees to reveal that the growth had disappeared and she had new skin on her shin. All the scars and growth were gone. God had created new skin! Praise the Lord! God did leave one little scar the size of a quarter on her leg, which I feel was to remind her of the great miracle He had done for her.

A woman was delivered of several evil spirits. One of these spirits said to me, "I want to kill you, you are a liar and you are not telling the truth." Well, God anointed me to cast the demon of witchcraft and other evil spirits out of her. She was weeping and her face was transformed by the power of God.

I am alive, preaching the truth of Christ's death and resurrection and His saving, healing and delivering power to change your life. Please send us your prayer request and best sacrificial offering today. It is crucial for the souls in Kenya, Germany and America.

# VISION FOR KENYA

May God increase your faith as I share the great things God has done in Nairobi, Kenya. First, we have received our registration certificate for the ministry in Kenya. We have a Kenyan Board of Directors with myself as President, and Agatha Muthoni as the Vice Chairman.

Our vision is to establish a home that will hold 20-25 street children that are orphaned. Some are addicted to various drugs like glue, marijuana and banke. The cost of the home will be between \$20-30,000 (US dollars). The program will be structured in a discipleship format with chores involved that develop discipline into the undisciplined lives of these poor addicted street children.

Prayer and the study of God's Word will be core of this program to bring restoration and healing to the lives of these young people.

America and England are so blessed with many Christ centered programs to disciple young men and women that have drug and alcohol related problems. Kenya has very few programs and the need is great in Nairobi with three slum areas surrounding the city with a total of close to 250,000 people living in these slums.

What if your child ran away from home became addicted to sniffing glue, smoking marijuana, and doing other drugs to deaden the pain of not having enough to eat. I know your heart would break for your drug addicted child. Well, the Father's heart breaks for these lost and forgotten children of Nairobi, Kenya. We believe that you will join us in prayer and giving. We would like to purchase a home this year to house 20-25 street children. Also, we need to purchase a four wheel drive Toyota Land Cruiser to be able to transport the children and go into the upcountry to reach the unreached tribe of the Maasai. We can purchase a brand new Toyota Land Cruiser for around \$40,000 (US dollars).

## T.V. MINISTRY

We are believing to go back on T.V. to reach New York City with the prophetic program, "Prayer: The Key to Revival". Please pray for this program to go on the air this month.
